

Parents Teach Sex Best Corrie Ten Boom Story

"So the line had stuck in my head. "Sex," I was pretty sure, meant whether you were a boy or a girl, and "sin" made Tante Jand very angry, but what the two together meant I could not imagine. And so, seated next to Father in the train compartment, I suddenly asked, "Father, what is sexsin?"

He turned to look at me, as he always did when answering a question, but to my surprise he said nothing. At last, he stood up, lifted his traveling case from the rack over our heads, and set it on the floor.

"Will you carry it off the train, Corrie?" he said.

I stood up and tugged at it. It was crammed with the watches and spare parts he purchased that morning.

"It's too heavy," I said.

"Yes," he said. "And it would be a pretty poor father who would ask his little girl to carry such a load. It's the same way Corrie, with knowledge. Some knowledge is too heavy for children. When you are older and stronger you can bear it. For now you must trust me to carry it for you."

Parents Teach Sex Best Corrie Ten Boom Story

We are asking our children to carry loads that are way too heavy for them. They should not be forced, as children, to see and feel the world through the lens of adults. Innocence is worth protecting and worth fighting for. We need to do our part as parents and caregivers to carry certain things for them until they are old enough to bear the load.

Note to Parents

There are some popular ideas circulating in the education arena, ideas that push heavy things onto children. One of these is "Comprehensive Sexuality Education," or CSE. While it sounds like children are simply being taught the basics about sex; that is an inaccurate understanding. CSE teaches radical notions of sexual behavior as normal, encourages child exploration of these ideas and seeks to turn our children into advocates for this extreme ideology.

Here is a fabulous video on Comprehensive Sex Education. Watch either the 10-minute and a 35-minute version [here](#).
